

# WORKFORCE INNOVATION AND OPPORTUNITIES ACT (WIOA)

---

The Workforce Innovation and Opportunities Act (WIOA) provides financial assistance to unemployed persons and those who meet federal low-income guidelines for the purpose of job training.

DePaul University's Continuing and Professional Education (CPE) is an approved provider of WIOA certified programs. From entry-level business courses to advanced management training, CPE offers a variety of programs for different skill levels. Learn new skills or update the ones you already have and increase your marketability in the business world.

Contact your local WIOA agency to determine if you qualify for a grant. WIOA agencies for Illinois can be found at [illinoisworknet.com](http://illinoisworknet.com).
